

## MOU Signing Ceremony at Pukyong National University

Tomoji Takamasa, Dean of the Graduate School of Marine Science and Technology, and 5 other university officials visited Pusan's Pukyong National University on 14<sup>th</sup> May, 2011.

In the presence of Pukyong National University officials, a signing ceremony was held in which the Tokyo University of Marine Science and Technology President, Yuji Matsuyama and Maeng-Eon Park, Pukyong National University President signed an MOU regarding our university's program adopted in FY2010 by the Ministry of Education, Culture, Sports, Science and Technology as part of its Program for Advanced Professional Training through Japan-China-Korea Interuniversity Exchanges.

Following the signing ceremony, 3 of our faculty members and 1 doctoral graduate held a mini symposium aimed at Pukyong students and faculty members and they each presented their cutting-edge research.

We hope that this signing ceremony and symposium will lead to even more fruitful exchange between the two universities.
