

MOU Signing Ceremony at Shanghai Maritime University

Tomoji Takamasa, Dean of the Graduate School of Marine Science and Technology, and 3 other university officials visited Shanghai Maritime University on 17th February, 2012.

In the presence of Yongxing Jin, a Shanghai Maritime University Vice President and other officials, a signing ceremony was held in which the Tokyo University of Marine Science and Technology President, Yuji Matsuyama and Youfang Huang, Shanghai Maritime University President signed an MOU regarding our university's program adopted in FY2010 by the Ministry of Education, Culture, Sports, Science and Technology as part of its Program for Advanced Professional Training through Japan-China-Korea Interuniversity Exchanges.

Following the signing ceremony, a Shanghai Maritime University student took the oral examination for the Marine Environment and Energy Professional Training International Courses on the Tokyo University of Marine Science and Technology Graduate School of Marine Science and Technology Master's Course.

We hope that student interaction will lead to further expansion and development of academic exchange between the two universities.
