The OQEANOUS Plus OEP Schedule 2024

Host: National Korea Maritime and Ocean University (KMOU)

Zoom link: TBA

1. Objectives

- To introduce the CAMPUS Asia OQEANOUS Plus program and participating universities.
- Encourage active participation in the program by creating a presentation video

2. Outline

- Date and venue: March 22nd (FRI), 2024 / ZOOM(Online)
- Main content: Introducing universities and programs proactively through student video production

(1) Video for presentation

- Each university will present the three topics below in the form of a video. Presenters can be teams or individuals. (Teams are recommended for university introductions)
- o Topic 1: Introduction of the university

(All univ., about 5-10 minutes in length)

Any contents on each university including campus life, culure of region or country, lab, etc

○ Topic 2 : Introduction of the OQEANOUS Plus Program

(Possible univ., about 5 minutes in length)

Introduction of the OQEANOUS Plus program (Experience as a participant)

• Topic 3 : Plan about participation in OQEANOUS Plus Program

(**Possible univ.**, about 5 minutes in length)

Plan their program participation(like Bucket list) (About 5 minutes in length)

(2) Preparation

- Each university will create video clip. Starting 2 weeks before the OEP, the recruited students will create a video on their presentation topic.
 - All university shoud prepare and submit the video clip on Topic 1.
- For Topics 2 and 3, universities that are able to recruit and produce will prepare.
- Participants can make their videos in any format, such as vlogs, interviews, etc. and a coordinator or instructor from each university will assist them in making their videos.
- The videos should be submitted to the Host (KMOU) at least 2 days before the start of the program(March 20).

(3) Recruiting students

- In addition to the students who will be presenting, each university is free to recruit students to simply participate in the program.
