

# The OQEANOUS Plus OEP Schedule 2024

**Host:** National Korea Maritime and Ocean University (KMOU)

## 1. Objectives

- To introduce the CAMPUS Asia OQEANOUS Plus program and participating universities.
- Encourage active participation in the program by creating a presentation video

## 2. Outline

- **Date and venue:** March 22<sup>nd</sup> (FRI), 2024 / ZOOM(Online)
- **Main content:** Introducing universities and programs proactively through student video production

### (1) Video for presentation

- Each university will present the three topics below in the form of a video. Presenters can be teams or individuals. (Teams are recommended for university introductions)

- **Topic 1 :** Introduction to the university

(All univ., about 5-10 minutes in length)

Any contents on each university including campus life, culture of region or country, lab, etc

- **Topic 2 :** Introduction to the OQEANOUS Plus Program

(Possible univ., about 5 minutes in length)

Introduction to the OQEANOUS Plus program (Experience as a participant)

- **Topic 3** : Plan about participation of OQEANOUS Plus Program

**(Possible univ., about 5 minutes in length)**

Plan their program participation(like Bucket list) (About 5 minutes in length)

## **(2) Preparation**

- Each university will prepare video clip. Starting 2 weeks before the OEP, the recruited students will create a video on their presentation topic.

**- All university should prepare and submit the video clip on Topic 1.**

**- For Topics 2 and 3, universities that are able to recruit and produce will prepare.**

- Participants can make their videos in any format, such as vlogs, interviews, etc. and a coordinator or instructor from each university will assist them in making their videos.

- The videos should be submitted to TUMSAT by March 18.

## **(3) Recruiting students**

- In addition to the students who will be presenting, each university is free to recruit students to simply participate in the program.

**\*Time table(OEP day)**

**March 22<sup>nd</sup>(FRI), 2024**
